=^..^=

ADOPTION APPLICATION

Felines First Rescue (abbreviated FFR) is based upon just that...PUTTING THE FELINES FIRST & RESCUING! We will treat all felines as members of our family until it is time to adopt them to their new forever families. The attached contract is legal and binding and must be adhered to. If you have any questions or concerns regarding this application, contract or agreement please do not hesitate to ask.

Felines First is committed to all felines having a healthy upbringing, placements in forever homes and post-adoption counseling. FFR will disclose important animal illnesses, injuries & specific behaviors known to us. To our knowledge, the animal up for adoption has never bitten or injured anyone and is in good health. However, the pet's health and temperament after adoption cannot be guaranteed.

We would always welcome any adopted kitty back into our rescue for any circumstance, any age and any reason. Our adoption fee is fully refundable if the feline is returned to Felines First within seven (7) days of adoption but will NOT be refunded after seven (7) days has lapsed.

Adoption fees range from \$60-\$120 and felines have already been spayed or neutered, treated for internal worms and parasites, been given the appropriate vaccinations for their age, have been treated with external medication for fleas and ticks and their first vet visit after adoption is covered at Tigard Animal Hospital. FFR will provide copies of all medical records within 14 days (2 weeks) of adoption. The adoption fee I agree to pay today is \$_____

ADOPTION CONTRACT & AGREEMENT

I _____ (ADOPTER) understand and agree to the following items in regards to adopting _____ (FELINE/ANIMAL) from Felines First Rescue:

- I AGREE to abide by all laws and ordinances established by the community I live in with regards to owning an animal. If I choose to move at a later date, I agree that this adopted animal is part of my family and I will ONLY look for places that allow my furry family members to live with me.
- I AGREE to provide the animal with safe shelter, fresh water, proper food and nutrition, adequate companionship and all necessary medical care if the animal becomes sick or injured. I will be a responsible pet owner and take my new family member to the veterinarian for routine annual exams, blood work, vaccinations, dental hygiene appointments and internal parasite screenings.
- I AGREE to NEVER declaw the animal under ANY circumstances. I understand the declawing is a painful and unnecessary procedure involving amputation of part of the cat's toes. Declawed cats have no way to defend themselves should they escape outdoors and are also more likely to develop arthritis and improper elimination problems. There are other options.
- I AGREE that if any behavioral problems arise with this animal (i.e. improper scratching or elimination), I will work with the animal, Felines First Rescue and/or a Veterinarian/Behaviorist to help resolve the issue.
- I AGREE that this animal will never be euthanized in a non-emergency situation without notifying Felines First Rescue by certified mail and allowing 14 days for a response.
- I AGREE to notify Felines First Rescue immediately if this animal is lost or stolen and agree to make every effort to find the animal.
- I AGREE that if for any reason, at any point in the future I cannot keep the animal, I will contact Felines First Rescue immediately. FFR will work with me to find an appropriate new home for the feline. The animal will NEVER be surrendered to an animal shelter or to a person unknown to Felines First. Transfer of ownership is strictly prohibited without written approval from Felines First.
- I AGREE to notify FFR if I move and agree to provide the new physical address, mailing address, phone number and updated email addresses. I understand that Felines First Rescue may periodically check in on this animal to be assured of compliance with the items in this contract.
- I UNDERSTAND AND AGREE that Felines First Rescue is not affiliated, governed or sponsored by any other business, entity or corporation and all comments, complaints, suggestions or correspondence should be directed to Felines First Rescue at the following email address: FelinesFirst@Yahoo.com.
- I UNDERSTAND AND AGREE to be solely responsible for this animal and to indemnify and hold harmless Felines First Rescue Agents, Owners, Representatives and Volunteers from any and all claims of liability for the conduct of this feline on or after the date of this adoption and agreement of contract.
- I UNDERSTAND AND AGREE the following terms and conditions constitute a legal contract enforceable by Civil Law. Any breach of this contract in part or whole requires the adopter to voluntarily relinquish the adopted feline, any paperwork and any records that pertain back to Felines First Rescue within five (5) days of notification. This will be at your expense and you will not have entitlement to any refund or damages of any kind.

BY INITIALING THE ITEMS ABOVE AND SIGNING BELOW, YOU UNDERSTAND AND AGREE TO ABIDE BY THE ADOPTION CONTRACT GUIDELINES AND CONDITIONS FOR FELINE ADOPTION FROM FELINES FIRST.
