

We y cats but please SPAY OR NEUTER!

Spaying and Neutering the pets of our planet is the #1 way to SAVE LIVES & SAVE RESCUES! By spaying and neutering, we prevent pet overpopulation, reduce euthanasia rates and in the end... RESPONSIBLY SAVE LIVES!

PLEASE SPAY OR NEUTER

**Pets will live longer and happier lives because you eliminate or greatly reduce the risk for certain cancers like mammary and testicular, fighting wounds and diseases like abscesses, Feline AIDS and Feline Leukemia, as well as dangerous roaming habits and urine spraying concerns.*

** Cost Effective! Spaying and neutering is A LOT cheaper than the cost of having and responsibly caring for a litter of kittens! It is not just a little extra food and litter, but spay or neuter, vaccinations, deworming medications, flea preventatives and the list goes on!*

** Help reduce the number of strays and unwanted animals in our community which in turn reduces the number of purrfectly healthy cats and kittens that are being euthanized due to lack of space in our shelters!*

IF YOU NEED HELP FINDING LOW COST SPAY OR NEUTER OPTIONS FOR YOUR PET, A NEIGHBORHOOD STRAY OR A COLONY OF FERAL FELINES...PLEASE CONTACT US FOR RESOURCES AND INFORMATION =^.^=

Who is Felines First Rescue?

Felines First Rescue is based out of Washington County, Oregon but we are helping felines all over Oregon! We are a registered LLC with the State of Oregon and we will be applying for our 501c3 non-profit status through the IRS. Felines First Rescue is based around just that...FELINES FIRST & RESCUING! We treat all felines as members of our family until it is time to adopt to their new furever families.

Our Mission: Felines First Rescue is a dedicated, no-kill network of volunteers and foster homes striving to help and care for the abandoned, stray, helpless and homeless felines in the Portland Metro area. All kittens are examined by a veterinarian, assessed for any special needs, vaccinated, tested, microchipped and spayed or neutered prior to leaving our care. We believe in every adoption being PURRFECT and FUREVER and are committed to providing post-adoption counseling, education and working as a resource for our community.

Amity, NKA Yuki, living very happily ever after in her furever home!

I, Jesse, have been rescuing for years and have taken in, cared for and found homes for at least 300 animals...but I am now rescuing under my own name...welcome to Felines First Rescue! FFR is funded by my personal paycheck and the support of my amazing foster parents...all with the desire to make this world a better place for our feline friends. We always appreciate adoptions, support and donations!! =^..^=

Want to Adopt?

Whether you are looking for a young kitten, teenager, bonded pair, adult kitty, or senior cat... Felines First Rescue has the purrfect feline or felines to match your needs and wants for a new furry family member.

Please give us a call (503-246-0808) or email (FelinesFirst@Yahoo.com) to discuss the feline family members we have up for adoption right now. Once we have discussed what you are looking for in your new furever friend, we will be able to send you to the appropriate foster home or nearest location for you to meet the available kitties we think would match your home and family.

Save Lives & Foster!

Not sure what you are looking for when it comes to adopting a new feline family member? How about opening your home & heart and foster a family of kitties? You may fall in love with the mama kitten, you may fall in love with one of her babies, keep them both or decide that fostering is more rewarding! =^..^=

Foster families allow moms and kittens to live in a more peaceful and stress free life compared to the shelter environment. This also allows for a lot more socialization time and teaching good house manners!
